## Submit Your Report

Before you submit your report, be sure to [download and review the sample report](#).

- You *must* submit your report by **23:59 on October 25th (UTC)**.
- You then have until **23:59 on October 29th (UTC)** to review the reports of three of your peers.

### SUBMIT YOUR REPORT

#### Status

This assignment is in progress. You still need to complete the [peer assessment](#) step.

▶ **Your Response** due Jan 1, 2019 08:00 +08 (in 2 months, 2 weeks)

✓ COMPLETE

▼ **Assess Peers** due Jan 1, 2019 08:00 +08 (in 2 months, 2 weeks) IN

PROGRESS (1 OF 3)

Read and assess the following response from one of your peers.

The question for this section

Browse to your report PDF document and submit it for grading. Note that the PDF file can be a maximum of 5 MB in size.

Ensure you have uploaded your file before submitting and proceeding to the next step. Note that the file is uploaded asynchronously, so WAIT UNTIL THE UPLOAD IS COMPLETE BEFORE SUBMITTING.

### Associated Files

This is my final report of the Microsoft Data Science Challenge due on the 25th of october 2018

Caution: These files were uploaded by another course learner and have not been verified, screened, approved, reviewed, or endorsed by the site administrator. If you access the files, you do so at your own risk.)

▼ Does the report start with an executive summary that provides an overview of the analysis performed and the key findings and recommendations?

---

☐ **No Report**

A document was submitted, but it does not contain a report based on the data for this project.

0 POINTS

---

☐ **Poor**

The report does not include an executive summary of overview section.

1 POINTS

---

☐ **Fair**

The report includes an executive summary, but it does not include any conclusions or recommendations.

3 POINTS

---

☐ **Good**

The report includes an executive summary that describes the analysis and states key conclusions and recommendations.

5 POINTS

## Comments

▼ Does the report describe the source data, and the steps taken to prepare, explore, and analyze it?

---

☐ **No Report**

A document was submitted, but it does not contain a report based on the data for this project.

0 POINTS

---

☐ **Poor**

The report does not describe the data or the analysis performed.

1 POINTS

---

☐ **Fair**

The report describes the data, but does not provide an explanation of the steps taken to prepare, explore, and analyze it.

3 POINTS

---

☐ **Good**

The report describes the data, and the steps taken to prepare, explore, and analyze it.

5 POINTS

## Comments

▼ Does the report include details of key observations, findings, and conclusions with supporting statistics and visualizations?

---

☐ **No Report**

A document was submitted, but it does not contain a report based on the data for this project.

0 POINTS

---

☐ **Poor**

The report does not contain any observations, findings, or conclusions about the data.

1 POINTS

---

☐ **Fair**

The report includes observations, findings, or conclusions but does not support these with statistics or visualizations (or the statistics and visualizations provided do not clearly support the conclusions).

3 POINTS

---

☐ **Good**

The report includes details of key observations, findings, and conclusions with supporting statistics and visualizations.

5 POINTS

**Comments**

(Optional) What aspects of this report stood out to you? What did it do well? How could it be improved?

---

I think that this report...

**Submit your assessment and move to response #2**
